College Board India Scholars Programme in partnership with TSLAS

As part of the India Scholars program, students can get up to 100% scholarship for the entire duration of study at TSLAS if they score 1300 or above on the SAT. They will be recognized as Top Performers by the College Board at the end of April on an annual basis. Top Performers who demonstrate significant financial need, defined by family income less than INR 8,00,000 per annum, are eligible to apply for a full tuition scholarship for the entire duration of their program of study at TSLAS. The family income will be verified by scholarship administration partner, Buddy4-Study.

A scholarship committee constituted by the Dean TSLAS makes all the scholarship decisions. Scholarship committee follows University rules and regulations for scholarship selection and management. All scholarships are discretionary and contingent to consistency in students' high performance at TSLAS. Scholarship holders will have to maintain a minimum grade point average of 8.0 in all years at the School.

*Fee structure will be released soon on a website - tslas.thaparedu
